

In Nursery this half term we will begin learning about colours.

Colours of the week will be:

Week commencing 25th September: Red and Yellow

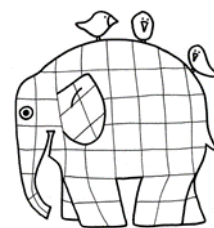

Week commencing 2nd October: Blue and Green

Week commencing 9th October: Orange and Purple

Throughout this time the children are welcome (and encouraged) to wear the colours of the week, and we would love it if families go on their own colour hunts at home and whilst out and about. Where can you see the colours of the week?

If you email them to us at nurseryinbox@wellington.bradford.sch.uk we can take a look at them together on our interactive whiteboard too!

On Thursday 19th October we will be holding a 'rainbow day' for the children to celebrate colour and do some fun colour experiments. On this day the children are invited to come to nursery dressed as colourfully as possible – don't worry we will remind you nearer the time!

Reading

Shortly we will be introducing our nursery library so that your child can bring home a nursery library book. These books can be changed as often as children and families would like, but please return your book from home before taking a new one.

Nursery reading challenge

When and where do you love to read? Maybe you share books at breakfast time? Or enjoy a bedtime story?

We would love to see photos of you enjoying books at home or out and about - please email them to us at nurseryinbox@wellington.bradford.sch.uk we can take a look at them together on our interactive whiteboard too!

We will also be beginning to learn about 2D shapes - both their names and properties (for example - a triangle has three sides) so take a look around at home and when you're out and about to see which shapes you can see where.

Point out shapes together with your child and talk about their properties

E.g. a road sign

"oh look at that road sign - do you know what shape it is?" "Yes, that's right - it is a circle." "How do you know that's a circle?" "How many sides does it have?" "can you think of something else the same shape?"

We would love to see what you find - please email any photos to us at nurseryinbox@wellington.bradford.sch.uk we can take a look at them together on our Interactive Whiteboard too!

We will be beginning to learn about Autumn and seasonal changes so please do talk to your child about the changes you notice in nature.

We will also be celebrating special occasions such as World Space Week (4th October), Mawlid al-Nabi - the birthday of the Prophet Muhammad (26th-27th Sept) and World Singing Day (21st October) we will be singing the Friday.

Parents will also be invited to join us for a 'come and play' session. These opportunities will happen throughout the year - dates to be announced.

If you have any other questions, please email:

Mrs Baraniak at alison.baraniak@wellington.bradford.sch.uk

And keep an eye on the school Twitter page @WellingtonPSBD2
