

Personal, Social and Emotional Development

We will be focusing on:

Understanding feelings.

Remembering rules without needing an adult to remind us.

We will do this through taking turns, listening to each other and practising our good routines! At home you can encourage your child to take turns, think about others and talk together about why rules are important

Communication and Language

We will be focusing on:

Developing our listening and attention skills

Talking about books and stories

Growing our vocabulary

We will do this through taking turns, listening to each other and enjoying lots of stories together! At home you can read and enjoy stories together, or use pictures and props to make up your own stories!

Physical Development

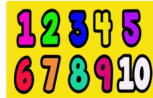

We will be focusing on:

Using a variety of gross motor skills

Developing our fine motor skills ready for writing

We will develop our gross motor skills through building obstacle courses and using ramps and mats! We will develop our fine motor skills through playing with playdough, threading and practising using scissors and hole punches! At home you can visit parks or make your own obstacle course, and practise using scissors and other one-handed tools (with supervision).

Maths

We will be focusing on:

Counting out up to 5/10 objects accurately

Using our fingers to represent numbers

We will do this through counting everyday objects and practising how we show different numbers to 10 with our fingers! At home you can count objects such as plates, cars etc and show your fingers when counting.

Our learning in nursery

Spring 1

(2nd January - 9th February)

Topics:

Winter

Traditional Tales

Celebrations:

Chinese New Year (10th February)

Story telling week (30th Jan— 6th February)

Stories:

The Magic Porridge Pot, The Three Little Pigs,
The Golden Carpet, The Dinosaur Who Lost His Roar,

Little Red Riding Hood

Literacy

We will be focusing on: Traditional tales.

Talking about key features in stories and books

Making lots of marks and strengthening our writing muscles

We will do this through enjoying stories, fine motor exercises and lots of mark making! At home you can enjoy stories together and get creative!

Expressive arts and design

We will be focusing on:

Exploring textures and developing our own creative ideas

Using puppets, props and role play to re-tell stories

We will do this through having a variety of creative resources available and allowing freedom to create! Puppets and props will be available for re-telling stories, and we can create our own masks and puppets! At home you can provide materials for your child to get creative with and make stories or story props together!

Understanding the world

We will be focusing on:

Winter and seasonal changes

We will do this through exploring outdoors - in a variety of weather for some great first hand experiences! At home you can notice and talk about changes you see. Choose a spot near home, either from a window or somewhere outdoors, and observe the differences each day, and at different times of day!
