

Summer 1

Eid

During w/c 17th April we will be learning about Eid and reading a beautiful story - The Most Exciting Eid.

We would love to see photos from your Eid celebrations, and hear all about what you did! Please email us:

nurseryinbox@wellington.bradford.sch.uk

Key vocabulary: Eid Ramadan Allah God pray celebrate mosque

Nursery rhyme of the week: Eid Mubarak (to the tune of Frere Jacques)

Farmyard fun

During w/c 8th May, 15th May and 22nd May we will learn about farms including animals and their babies, animal sounds, farm vehicles and more!

Key vocabulary: cow calf pig piglet horse foal
duck duckling sheep lamb hen rooster chick egg
milk vegetables tractor fields farm farmyard

Nursery rhyme of the week:

Old McDonald had a farm

I went to visit a farm one day

Horsey horsey don't you stop

UK, London and the Royals

During w/c 24th April and w/c 1st May we will be learning more about our country and the Royal family ahead of the Coronation of King Charles. We will be learning more about the UK, London and the Royals.

Key vocabulary: King Queen Palace crown UK United Kingdom London

Come and play

We will be inviting parents to join us again to play in nursery later this half term - date to be announced shortly!

As always, we love to hear about your adventures at home!

Keep sending in your photos to: nurseryinbox@wellington.bradford.sch.uk

The skills we are developing, across the seven areas of learning, are...

The Prime Areas

Communication and Language

Creating a variety of voice sounds

Listening carefully to differences in sounds

Personal, Social and Emotional Development

Being healthy including looking after ourselves and others

Thinking about how our choices affect others

Physical Development

Ball control skills - throwing, catching and kicking a ball

Developing our mark making skills to form recognisable shapes and some letters from our name

The Specific Areas

Literacy

Recognising our own names and beginning to copy some of the letters of our name when mark making

Enjoying and recalling new nursery rhymes

Looking after books and learning more about the structure of stories

Understanding the World

Naming farm animals and understanding what they provide for us

Knowing where fruit, vegetables and grains come from

Learning more about our country and celebrating special events and festivals

Mathematics

Beginning to recognise numerals 0-5 and making links between these numerals and the quantity they represent

Using and developing our knowledge of size – big, small, little, huge, tiny, enormous, tall, short, wide, narrow

Comparing sizes – bigger, smaller, taller, shorter, biggest, smallest, shortest, tallest

Expressive Arts and Design

Using a variety of media to create animal art - collage, paint, pastels, crayons and sculptures!

Deciding which materials and colours to use to express ideas.

Using instruments to play along to music or songs, paying attention to rhythm
