School's Aim and Values

At Wellington Primary School we believe that every child is entitled to the highest quality education we can provide. We are committed to ensuring equality of opportunity for all children, regardless of gender, ethnic origin, social background, disability or ability. Central to our aims is the development of tolerance, understanding, harmony and respect for others.

Legislation

The Equality Act 2010 ("the Act") provides a modern, single legal framework with three broad duties:

- Eliminate discrimination;
- Advance equality of opportunity; and
- Foster good relations.

Wellington Primary fully understands the principle of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity. A protected characteristic under the act covers the groups listed below:

- Age;
- Disability;
- Race, colour, nationality, ethnic or national origin;
- Sex (including transgender);
- Gender reassignment;
- Maternity and pregnancy;
- Religion and belief;
- Sexual orientation; and
- Marriage and civil partnership (for employees).

In order to meet our general duties, listed above, the law requires us to do some specific duties to demonstrate how we meet the general duties.

These are to:

- Publish equality information – to demonstrate compliance with the general duty across its functions - We will not publish any information that can specifically identify any child.
- Prepare and publish equality objectives - to do this we will collect data related to the protected characteristics above and analyse this data to determine our focus for our equality objectives. The data will be assessed across our core provisions at Wellington Primary. This will include the following functions:
 - Admissions;
 - Attendance;
 - Attainment;
 - Exclusions; and
 - Prejudice related incidents.

Our objectives will detail how we will ensure equality is applied to the services listed above however; where we find evidence that other functions have a significant impact on any particular group we will include work in this area.

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

These details, explaining how Wellington Primary School complies with the public equality sector duty, are updated yearly.

The Policy

Wellington Primary School's Equality Information and Objectives Policy draws together all previous equality legislation and details how Wellington Primary is fulfilling the requirements of the Act.

Addressing Prejudice Related Incidents

Wellington Primary is opposed to all forms of prejudice and we recognise that children and young people who experience any form of prejudice related discrimination may fair less well in the education system. We provide both our pupils and staff with an awareness of the impact of prejudice in order to prevent any incidents. If incidents still occur we address them immediately and report them to the Local Authority using their guidance material.

Objectives

In achieving compliancy with the Act, objectives are updated every four years. Detailed below are Wellington Primary's current set of overriding objectives.

Wellington Primary will make reasonable adjustments to meet the needs of disabled pupils and implement an accessibility plan aimed at:

- a) increasing the extent to which disabled pupils can participate in the curriculum;
- b) improving the physical environment of schools to enable disabled pupils to take better advantage of education, benefits, facilities and services provided; and
- c) improving the availability of accessible information to disabled pupils.

Wellington Primary's leaders accept and welcome their responsibility to have due regard in decision-making and actions to the possible implications for pupils with particular protected characteristics. They will consider equality implications before and at the time that they develop policy and take decisions.

Responsibility

We believe that promoting equality is the whole Wellington Primary's responsibility.

How does Wellington Primary eliminate discrimination and other conduct that is prohibited by the Act, advance equality of opportunity between people who share a protected characteristic and people who do not share it, and foster good relations between people who share a protected characteristic and people who do not share it?

Wellington Primary does this by measures that include:

- a) for pupils - implementation of policies on equal opportunities (including race and gender equality, special needs, behaviour and anti-bullying);
- b) for staff - implementation of policies on equal opportunities, recruitment and selection, pay and anti-harassment policy;
- c) PSHCE, SRE, RE and other elements within the curriculum that promote friendship and understanding about cultures and lifestyles;
