

WELLINGTON PRIMARY SCHOOL
UNIT C - YEAR 3
Summer 2 - 2018

.....

This parents' topic plan is designed to inform you of the work that your child will be covering this half term and to enable you to support him/her in these areas at home.

English

Fiction - 'How To Train Your Dragon' by Cressida Cowell

Non-Fiction – Non-Chronological Reports

Diary Entry

Non-Chronological Reports

Maths

2D shape & 3D shape

Co-ordinates

Money & real-life word problems

Time

Written methods for the 4 operations (+ - x and ÷) & word problems

Data handling – pictograms and tally charts

Science

Light

We will be learning how shadows are formed and that we need light in order to see. We will also be studying how light is reflected from surfaces and that light from the sun can be dangerous. Lastly, we will be experimenting with ways in which we can protect our eyes from the sun.

P.S.H.E.

Stranger Danger

We will learn about the golden rules connected with 'Stranger Danger' and how to keep safe if we are in unfamiliar environments.

Music

Painting with Sounds

We will create, perform and analyse the sounds made on different musical instruments. We will explore how sounds can describe the moods stimulated by pictures and words and we will create simple compositions combining rhythm and melody.

History

The Anglo-Saxons in Britain

We will be finding out about where they came from, where they lived in Britain and what their houses were like. We will also be finding out about events like the invasion of Lindisfarne and about the finds at Sutton Hoo.

R.E.

Special books

We will continue to find out about how holy books offer guidance for their followers and why they are special. We will read a selection of stories from different holy books and develop an understanding of what these stories can teach us.

P.E

Outdoor – Athletics

We will concentrate on developing good basic running, jumping and throwing techniques.

Outdoor – Striking and Fielding

We will be developing our hand-eye co-ordination skills and ability to strike a ball accurately in rounders and cricket. We will learn how to direct a ball into a space and will develop our catching and throwing skills.

Art & D.T.

Can we change place?

We will be looking at how environments in Bradford have been improved with sculptures and we will be designing and making our own sculpture using clay.

Computing

Multimedia

Children will be taught how to create a Powerpoint presentation by incorporating text, images and sound.

French

We will be learning how to say where we come from and where other people come from.

Reminders

3I has P.E. on Tuesdays and Wednesdays

3M has P.E. on Mondays and Wednesdays

Homework is given out on a Friday and **due in on a Tuesday**. If children hand it in early, they will get one appropriate.

Learn by Heart (LBH) This Maths homework is given out on a Fridays to be learnt for the next Friday.

If there are any problems, please do not hesitate to write us a note in the homework book or LBH book or pop in to see us.

Reading Records should be handed in on **Monday morning** for the class teacher to check.

Thank you for your continued support.

Mrs Illingworth, Miss M'Itwamwari
