

WELLINGTON PRIMARY SCHOOL UNIT C - YEAR 4

Summer 1 – 2018

.....  
This topic plan is designed to inform you of the work that your child will be covering this half term and to enable you to support him/her in these areas at home.

This half term we will:

**English**

Complete work based on The Demon Dentist by David Walliams. Develop reading skills. Demonstrate the use of good writing skills. Character descriptions, news reports, narratives, recounts, non - fiction work, setting descriptions and diary entries. Spelling, punctuation and grammar.

**Maths**

Revise x2 x10 x5 x3 x4 x6 x7 x8 x9 x11 x12 times tables. Revise and extend work on:  
mental strategies for + and -  
written methods for + - x and ÷  
place value, comparing & ordering numbers  
one and two step word problems  
fractions & decimals  
converting measurements  
perimeter & area.

**Science**

**Sound (Continued)** Use data loggers to measure sound levels around school and investigate how sounds change.

**Animals Including Humans** Identify and describe the basic parts of the human digestive system and research types of human teeth.

**Computing**

**Data Handling**

Create a class questionnaire to collect data to answer questions. Create a spreadsheet to record data. Create charts to answer questions.

**FRENCH**

**Le Monde**

Learn more about the geography and customs of France. Send a postcard home.

**Art**

**Take A Seat Continued**

Investigate different types of chairs. Work in groups to design and make a chair for a chosen character.

**History**

**Changes in Britain from the Stone Age To The Iron Age**

Find out about daily life in the Stone Age and how the discovery of metal changed the way people lived.

**R.E.**

**Creation and the Environment**

Learn, through religious teachings, about the creation of the world. Share and compare creation stories from different religions and cultures and find out why they are special.

**P.E.**

**Striking and Fielding - Cricket**

Working with a coach from Bolton-Villas Cricket Club, as a part of the Chance to Shine cricket programme. Learn how to play a range of cricket shots, directing the ball into space. Learn how to work as a team, when fielding, to try and limit our opponent's runs. Begin to learn over-arm bowling.

**Skipping**

Develop our balance and co-ordination through a skipping unit. Learn to perform a range of simple and moderately difficult tasks and challenges with a skipping rope. Work individually, with a partner and in groups to perform a range of skipping skills.

**Music**

**Ukulele**

Further develop chord knowledge in order to play and sing different music genres. Practise reading and playing tab notation to perform as a group.

**P.S.H.E.**

**Living A Safe And Healthy Lifestyle**

Learn about the importance of personal hygiene and how good personal hygiene can be achieved, the importance of staying healthy and the links between physical health and emotional wellbeing.

### **P.E.**

4CD has P.E. on Mondays and Fridays.

4LO has P.E. on Mondays and Thursdays.

Children need to have their indoor and outdoor P.E. kits in school, during the week. We recommend tracksuit bottoms, trainers and a jumper for outdoor P.E. Please make sure that all P.E. kit is named so it can be returned easily if lost.

### **Homework**

Is given out on Fridays and is due in on Tuesdays. If you have any problems with homework, please do not hesitate to write a note in your child's homework book or pop in to see us.

### **Learn By Heart**

Please ensure Learn By Heart books are in school every day. Maths facts to learn will be given out every fortnight. Children are tested every Friday.

### **Reading Records**

Should be in school every day and handed in on Monday mornings. Appropriate are given, for regular daily reading.

### **Spellings**

Spelling books should be in school every day. Spellings are tested and new spellings are given out every Friday.

Thank you for your support.
