

Wellington Primary School

Pupil Premium Strategy Action Plan 2016/2017

The Pupil Premium is an allocation of funding provided to schools to support specific groups of children who are vulnerable to possible underachievement. These include pupils who are entitled to free school meals, those looked after by the local authority and children of armed service personnel. The Pupil Premium is allocated on the current number of children on free school meals and 'Ever 6' (those children identified as being on FSM in the last 6 years). The intended effect of this funding is to accelerate progress and raise attainment.

In most cases the Pupil Premium is allocated to schools and is clearly identifiable. It is for schools to decide how the Pupil Premium is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility.

Number of pupils eligible for Pupil Premium Grant and Pupil Premium received:

Years	2014-2015	2015-2016	2016 - 2017
Percentage of pupils eligible for Pupil Premium	25.6%	24.1%	21%
Total number of pupils eligible for Pupil Premium	109 (425)	102 (423)	93 (425)
Amount of Pupil Premium Grant received per pupil	£1300	£1320	£1320
Total amount of Pupil Premium received	£142,300	£134,640	£122,760 (Expected)

How the Pupil Premium Grant will be spent in 2016-2017 academic year:

- Staffing for intervention programmes, in addition to quality first teaching, for identified pupils or not meeting age related expectations or making expected progress relative to their starting points and for those who identified Special Educational Needs and Disabilities (SEND). These interventions include:
 - EYFS – Daily intervention programmes delivered by a qualified teacher
 - KS1– Maths interventions/phonics interventions/reading interventions delivered by qualified teachers and HLTAs
 - KS2 – 1:1 maths and english interventions delivered by qualified teachers. 1:1 reading interventions delivered by TAs.
- Staffing for maths intervention programmes before school for identified pupils which include:
 - Year 2 SumDog
 - Year 6 SumDog
- Staffing to enable access to homework clubs for identified pupils.
- Before, during and after school clubs free of charge or heavily subsidised for all pupils.
- Additional staffing in Year 6 to enable pupils to be placed into 3 teaching groups for English and Maths lessons.
- A Welfare Officer to support identified pupils through individual sessions to improve well-being, confidence and self-esteem to remove barriers to learning and therefore improve achievement and access to the curriculum.
- Attendance Officers to provide support to identified children to improve attendance and punctuality.
- PIW (Parental Involvement Worker) provides support to families to reduce barriers to learning for identified pupils.
- Educational visits linked to the curriculum and residential visits which are heavily subsidised. No pupil at Wellington Primary School will ever be excluded from a visit because of financial constraints on the family. For some children this has a huge impact on self-esteem and confidence.
- The school provides families with the cost of replacing uniform which was previously covered by the LA.

The impact of the Pupil Premium Strategy will be measured in relation to:

- Attainment and progress of identified pupils
 - Tracking Pupil Premium children throughout the year to monitor their academic progress. Regular data analysis is used to measure the impact of the variety of interventions that have taken place. Pupil progress meetings take place termly to ensure that pupils are on track to achieve expected progress and attainment in each year group.
