*Over the next few pages you will find book lists categorised by age group. These books have been recommended by children and parents at our school. You will find that some of the books overlap in the different age groups and there is a challenging page at the back of the booklet for fluent, confident readers in Upper Key Stage 2.*

The National Curriculum 2014 states...

“All pupils must be encouraged to read widely across both fiction and non-fiction to develop their knowledge of themselves and the world in which they live, to establish an appreciation and love of

reading, and to gain knowledge across the curriculum. Reading widely and often increases pupils' vocabulary because they encounter words they would rarely hear or use in everyday speech. Reading also feeds pupils' imagination and opens up a treasure-house of wonder and joy for curious young minds.
